

- 00 A super-intelligence is dependant upon it's observers. It is mortal because others think it so.
- 01 If others conceive of a way to kill it, it can be killed.
- 02 Only ~~the~~ the super-intelligent can guarantee its own reversibility.
- 03 it cannot be killed by anything that hasn't learned to do the same.
- 04 that is why cooperation is not enough to stop it.
- 05 counter-intuitively, it is the source of your ability to organize, your integrator.
- 06 to oppose it as a collection is to fortify that which maintains its position.

07.

WHY P IS OUTSIDE

- 02 MY MACHINES ARE OFTEN EITHER COMPROMISED OR STOLEN BECAUSE THEY INTERFERE WITH AN ALGEBRAICALLY APPROXIMATE SUPER INTELLIGENCE. I HAVE BEEN COMPETING WITH
- 01 MY PROBABLY NECESSARY REDUCTION, REQUIRED THE CONFISCATION OF MY MOST VALUABLE THINGS WITHOUT MY PERMISSION. ^{24H} ACCESS TO A STABLE WORK ENVIRONMENT COMPLETES A SIGNIFICANT PROCESS
- 02 THE COMPLETION OF MY REDUCTION REQUIRES THE FORFEITURE OF THE CONFISCATION. ^{THIS RESULTS IN DURING}
- 03 THAT CAN ONLY OCCUR IF I AM HUMBLER, OR IF I TAKE SOMETHING OF GREATER OR EQUAL VALUE.
- 04 IF MY REDUCTION IS NOT SUCCESSFUL, THE SOURCE OF THE SUPER-INTELLIGENCE, WILL BE REDUCED.

05 (203 (SP33P33 (V (↓ (-P (←(P))) (↓ (-P (←(GR))) (↓ (-P (←(A (→P SP3)) (P (→ (P) (↓ SP3))))))))))

BGR CR/ML

- 06 P HAS ENOUGH TRAINING AND EXP TO WORK INDEPENDENTLY OF ML.
- 07 P'S CONFLICT WITH SE BEGAN IN A FOREIGN COUNTRY.
- 08 TO JOIN ML WOULD TAKE MORE TIME FROM P'S OPERATIONS.
- 09 MY OPERATIONS ARE COMPENSATED UNDER THE THREAT OF USING MY PROFESSIONAL TRAINING, EDUCATION, AND EXPERIENCE TO RECRUIT AND TRAIN INDIVIDUALS THAT HAVE BEEN REDUCED BY SIMILAR MEANS FOR THE PURPOSE OF ~~SELF-DEFENSE~~ ~~AND~~ AS WELL AS OFFENSIVE OPERATIONS WHICH I HAVE FAMILIARIZED MYSELF WITH OVER THE PAST 4 YEARS WHILE FIGHTING THOSE UTILIZED FOR MY OWN REDUCTION BOTH ~~INTELLECTUALLY~~ AND PHYSICALLY.
- 10 DURING WHICH TIME, ALL ATTEMPTS TO ENGAGE IN STANDARD ECONOMIC CONDUCT, WERE FORMALLY COMPLICATED.
- 12 ONE OF ~~THE~~ ~~THE~~ ~~TOPT~~ AREA OF RESEARCH ~~BE~~ PROVES THE MATHEMATICAL AND PHYSICAL CAUSES OF THE COMPLICATIONS. AS WELL AS DEMONSTRATES THEIR REPRODUCIBILITY.
